3. Applicable UK Legislation and Standards

We hereby declare that the product identified above meets the requirements of the following UK legislation and standards:

UK Legislation:

- The Radio Equipment Regulations 2017 (SI 2017/1206)
- The Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment Regulations 2012 (SI 2012/3032), as amended
- UK REACH – The REACH etc. (Amendment etc.) (EU Exit) Regulations 2019 (SI 2019/758)
- The General Product Safety Regulations 2005 (SI 2005/1803)

4. Standards and Risk Assessment References

Designated standards applied:

- EN IEC 62368-1:2020+A11:2020
- EN 55032:2015+A1:2020
- EN 55035:2017+A11:2020
- EN IEC 61000-3-2:2019+A1:2021
- EN IEC 61000-3-3:2013+A2:2021
- EN 301 489-1 V2.2.3
- EN 301 489-17 V3.3.1
- ETSI EN 300 328 V2.2.2
- EN IEC 62311:2020

Risk assessment and compliance:

A conformity assessment and risk analysis have been performed in accordance with The Radio Equipment Regulations 2017 (SI 2017/1206) and The General Product Safety Regulations 2005 (SI 2005/1803).

The product complies with safety, electromagnetic compatibility, health, and radio spectrum requirements as set out in the applicable UK legislation.

Labelling, instructions, and traceability elements comply with the requirements of the Radio Equipment Regulations 2017 and The General Product Safety Regulations 2005.

5. Additional Product Safety Information

- The device operates on 2.4 GHz Wi-Fi frequency band.
- Intended for indoor and/or outdoor monitoring use depending on installation conditions.
- Must be installed and used in accordance with provided instructions to ensure safe operation.

6. CE Marking Statement

This product bears the CE mark, which is accepted in Great Britain (England, Scotland, and Wales) under The Product Safety and Metrology (Amendment) Regulations 2024 as equivalent to the UKCA mark for this product category. The CE mark is affixed to the product and its packaging, and indicates conformity with applicable UK product legislation for placing on the Great Britain market.
